

# Sheep & Goat Barn

coming 2027

**WE NEED YOUR HELP!**

We are excited to announce plans for a NEW Sheep/Goat Barn for the 2027 Grundy County Fair — and we need your help to make it happen!

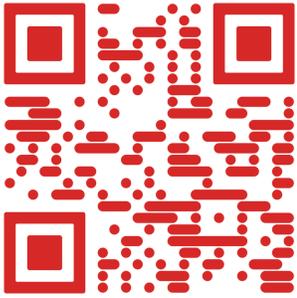

This new facility will provide a safe, modern space for our youth exhibitors and their animals, while supporting the continued growth of our livestock programs for years to come. Your support today will help create lasting memories for future generations of fair participants.
