

## Mini Madness

Mini van, small truck and small SUV figure 8 race

### Rules:

- Gas tanks must be in front of the rear axle. Small trucks with tanks on the outside of the frame rails must put the tank in the bed of the truck in front of the rear axle and have it secured and covered.
- Battery must be moved to the front seat secured and covered.
- Halo roll cage required.
- Support bar behind driver's seat.
- Door bar for driver's door on the outside.
- All glass must be removed from the vehicle.
- No loose objects inside of the vehicle before entering race track.
- Factory working seatbelt is sufficient.
- Must remove airbags.
- No 4x4 allowed. If the vehicle is 4x4 the front drive shaft must be removed.
